## **4.00.00 PROCEDURE**

### **4.01.00 TEMPORARY LICENSES**

It shall be the policy of the Idaho Outfitters and Guides Licensing Board that qualified outfitters and guides may be licensed on a temporary basis for the years 2002 to 2007 for the purposes of conducting outfitted excursions on the Lewis and Clark Trail within the borders of the State of Idaho. Such temporary licenses shall be issued with the written concurrence of the permanently licensed outfitter for the area and activities for which that outfitter is licensed.

### **4.02.00 STACKING**

It is recognized by the Board that during this period and using this procedure there may be "stacking" of outfitters. The temporary licensees shall coordinate with the permanent licensee in order to avoid conflicts. All outfitters shall also abide by the rules and regulations set by the landowners of the property over which the Trail passes.
